

Vivian Patruno is a videographer, editor, and podcast producer. She has created her own podcast entitled RelationTips and has teamed up with groups such as Never Too Late (adoption for older youth) to work on video projects. Vivian uses her editing and producing skills to connect with the public. She writes weekly articles about upcoming movies and series for the online platform Biff Bam Pop and aspires to do more advocacy work wherever she can. Vivian is Lead Video Editor with UNTOLD.
